Imitating Jesus Christ:

We are striving to be more like Christ in our thoughts, in our actions and the way we carry ourselves as a whole.

Family:

We want to grow as a family loving one another, encouraging, motivating, listening, respecting and being accepting of one another. Although we have different mothers, we ultimately all have the same father in Jesus Christ.

Difference:

We want our kids to be the difference in their schools, community and in all things they participate in. Through our program, we are striving to put God's word on our kids minds and in their hearts to prepare them for that journey. We want our kids to be able to share their love for God and for God's love to shine through them.

“Our kids can be influenced by their peers or we can prepare our kids to be the influence”.
